money rates militating against active speculative ventures. Prices scarcely moved either way, but the undertone was better.

The market closed strong. Satisfaction of the urgent left money a virtual drug on the market and the rate saged steadily until it touched 3 percent. Announcement that \$500,000 gold would be imported contributed to the break in call loan rates.

Covering operations and some renewed buying for the long account elevated prices smartly in the final dealings. Union Pacific, Steel, St. Paul, Reading, Amalgamated and Brooklyn Transit all sold a point or more above yesterday's closing.
